PRESIDENT HOLLANDE WELCOMES PRESIDENT OBAMA FOR HIS COURAGE ON HIS CLIMATE PLAN

BIG STEP FOR DECARBONIZATION

Paris, Washington DC, 05.08.2015, 04:27 Time

USPA NEWS - The President Obama unveiled the "Clean Power Plan" in Washington DC yesterday. The event was released worldwide by the media. The French President Hollande, reacts immediately by congratulating the statements of the president on which American gas emission reduction targets ambitions.

The President of the Republic salutes the courage of President Obama who announced the finalisation of the American plan for clean energy. This plan is a key step in the decarbonisation of the US economy. It marks a break setting for the first time a drop goal in CO2 emissions in energy production.

It is a major contribution to the success of the Paris Conference on climate change.

France will continue to federate all initiatives, especially on the occasion of the United Nations General Assembly in September in New York, for the most developed nations in particular take responsibility.
